## NC-PE 2023 N.C. Additions and Deductions for Pass-Through Entities, Estates, and Trusts

A pass-through entity, estate, or trust is required to attach Form NC-PE to the applicable N.C. tax return if the entity is required to add certain items to federal income, or if the entity is allowed to deduct certain items from federal income. Importantly, both pages of this form must be attached to the applicable tax return, even if the entity completes only one part of the form. If both pages of the form are not attached, the Department may be unable to process the tax return.

Form NC-PE is identical to Form D-400, Schedule S and includes all N.C. adjustments applicable to individuals. The adjustments listed MAY NOT be applicable to every entity. For additional information, see the instructions for the specific entity.
