Certification of Amounts Disbursed to Counties and Municipalities During the Twelve Month Period ending June 30, 2026, Notes

Notes	
Note Number	Note Text
1	NCGS 105-475 directs that the net proceeds of sales tax collected in a taxing county and submitted to the North Carolina Department of Revenue (NCDOR) shall be divided between the county and its municipalities based on per capital or ad valorem percentages. The board of county commissioners has the authority to chose which of the two methods of distribution shall be in effect.
2	Article 39 allows counties to levy the first 1.0% local-option sales tax which is distributed on a point of sale delivery basis.
3	Article 40 allows counties to levy an additional 0.5% percent sales tax and is distributed on a per capita basis. This article allows counties to levy and additional 0.5 % sales tax in addition to the existing 1% sales tax under Article 39. The generated revenue is distributed based on the county's population in relation to the to the state population total.
4	Article 42 allows counties to levy and additional 0.5% sales tax in addition to the existing 1% sales tax under Article 39. The generated revenue distributed to the counties on a point of sales delivery basis.
5	Article 43 allows counties and transportation authorities to levy a 0.25% or 0.5% sales and use tax to finance local transportation systems. The proceeds are distributed on a per capita basis to the county and units of local government that operate local transportation systems.
6	Article 44 pertains to hold harmless and allocation provisions. It addresses the distribution of additional sales tax revenue for economic development, public education and communitcy colleges. It is allocated to the counties and municipalities according to their allocation percentages.
7	Article 46 allows counties to levy an additional 0.25% sales tax. The generated revenue distributed to the counties on a point of sales delivery basis.
8	The NCGS 105-522 hold harmless proviision applies to municipalities that were incorporated on or before October 1, 2008, and receive a distribution of sales and use taxes. A county is required to hold these municipalities harmless from the repeal of local sales and use taxes that were previously imposed. The hold harmless amount is deducted from county Article 39 proceeds and added to the distribution amount for eligible municipalities.
9	The NCGS 105-523 NC Medicaid hold harmless proviision ensures that counties are not held liable for the non-administrative costs of medicaid. This clause is part of the state's agreement to assume these costs. The hold harmless amount is added to the distribution amount for eligible counties.
10	The scrap tire disposal tax is applied to the retail sale of new tires, with rates of 2.0% for tires under 20 inches and 1.0% for larger tires.
11	The white goods disposal tax is due on the retail sales of white good and is for the management of discarded white goods. White goods include refrigerators, ranges, water heaters, freezers clothes dryers, and other similar domestic and commercial large appliances
12	General refunds of sales and use tax for government and nonprofit entities.
13	Refunds of tax-paid motor fuel used off highway, by off highway equipment.
14	Sales tax applicable to alcoholic beverages, NCGS 105-113.68 through NCGS 105-113.89.
15	Sales tax applicable to piped natural gas, as well as electricity that used soley for comfort heating an non-production uses.
16	Sales tax applicable to gross receipts from providing telecommunications services and related ancillary services.
17	Sales tax on gross receipts derived from providing video programming to subscribers, including cable service, direct-to-home satelite service and certain installation services.
18	Solid waste disposal tax is imposed at a rate of \$2.00 per ton on the disposal of municipal solid waste and construction and demolition debris. This was established by HB 230 (2021-2022) NC Managing Environmental Waste Act of 2021, enacted to address the issue of plastics waste. Section 1 of the bill allocates 5.0% to counties and municipalities that provide plastics recycling services within their jurisdictions, to be sued for plastic recycling and food service ware waste reduction services.
19	North Carolina Department of Revenue, Local Government Division, 919-814-1129 are presented with the counties where they are located.
