<b>Total Credits Taken</b>	<b>94,109</b>	<b>153,501,625</b>

C-Corporations that take income tax credits must reduce the amount of credit in accordance with G. S. 105-130.5(a) (10). This adjustment decreases the total credits taken from the amount shown above by \$509,392.

A “0” in the spending column indicates that the taxpayer’s expenses have been incurred and reported in a prior year or that they were not reported.

**Procedural Notes:**

**Information from taxpayer returns, including taxpayer errors and omissions, is shown as reported.**

**All returns are subject to audit.**

**Amounts for any one taxpayer may reflect credits taken in multiple years.**

**Affiliated taxpayers are reported individually.**

**A negative value may occur when an amount has been amended downward and the higher amount has been previously reported.**

**Source: Revenue Research Section, Financial Services Division, North Carolina Department of Revenue**
