Procedural Notes: Information from taxpayer returns, including taxpayer errors and omissions, is shown as reported. All returns are subject to audit.

Due to informational limitations, the amounts of ‘credits taken’ for individual income taxpayers in this report are the installment amount reported by the taxpayer on Form D-400TC.

‘0’ in the Expenditure column indicates that the expenditures were reported in a prior year. Expenditures were adjusted to ‘0’ if the taxpayer reported a positive expenditure amount, but the same expenditures were reported in a prior year.
