Detail may not add to totals due to rounding. \*State license taxes for alcoholic beverages were repealed effective May 1, 1999.

Amounts shown for local distribution allocations represent amounts placed in reserve during the fiscal year designated and are the computed local government shares based on net collections for the preceding 12-month period ending March 31 of the indicated fiscal year.

The local distribution allocation amount for 2001-02, \$26,690,051, was not distributed to local governments, but was instead transferred to a special reserve fund created by the Governor pursuant to Executive Order dated February 1, 2002; the State retained this allocation to partially offset the budgetary shortfall situation.

SL 2009-451, s.27A.4(a), effective September 1, 2009, and applicable to liquor sold and to malt beverages and wine first sold or otherwise disposed of on or after that date, increased the excise tax rates and, accordingly, reduced the local government distributable share percentages of the beer and wine excise taxes net proceeds. The legislation specified a temporary additional reduction in the percentage of the net amount of excise taxes distributable to local governments for the taxes collected during the 12-month collection period ending March 31, 2010.

+Department of Commerce transfer (§ 105-113.81A):

Effective July 1, 2007, \$200,000 of the net proceeds of the excise tax collected on unfortified wine was required to be credited to the Department of Commerce on a quarterly basis [previously, the transfer amounted to net proceeds of the excise taxes collected on unfortified and fortified wine bottled in the State (not to exceed \$500,000 annually)]. The earmarked amount was allocated to the North Carolina Wine and Grape Growers Council to promote the North Carolina grape and wine industry and to contract for research and development services to improve viticultural and enological practices in the State. Effective October 1, 2008, SL 2008-107 amended the quarterly transfer provision

stipulating that the original \$200,000 allocation be designated for industry promotion and that an additional \$25,000 of the net proceeds of tax collected on unfortified wine be designated on a quarterly basis for the purpose of research and development. Statutory provisions of the allocation in terms of amount and designation have been periodically adjusted since the enactment of the transfer in 1987 when the annual allocation was capped at \$90,000. Effective July 1, 2009, SL 2009-451 repealed the transfer provision. Liquor surcharge: Pursuant to § 18B-805, the local board pays to the Department of Revenue 1/2 of both the mixed beverages surcharges required by § 18B-804(b)(8) and the guest room cabinet surcharge required by § 18B-804(b)(9).

Pursuant to § 18B-804, alcoholic beverage pricing, a charge of \$20 on each 4 liters and a proportional sum on lesser quantities is assessed on spirituous liquor sold to a mixed beverage permittee for resale in mixed beverages or on spirituous liquor sold to a cabinet guest room permittee for resale.

Effective February 1, 2002, the excise tax rate on liquor sold in ABC stores was reduced from 28% to 25% (increased to 30% effective September 1, 2009) due to the enactment of a 6% State sales tax on spirituous liquor effective December 1, 2001. Effective October 1, 2005, the 6% State sales tax rate increased to the combined general rate of 7% (6.75% effective December 1, 2006). Effective April 1, 2008, the combined general rate increased from 6.75% to 7% (8% effective September 1, 2009).
