Detail may not add to totals due to rounding. Net collection amounts of beer excise tax are after deduction of refunds and before deductions of local share reserves.

**Legislative changes affecting local share allocation and method of funding payments:**

Amounts shown for local share reserve are the computed local government shares based on net collections for the preceding 12-month period ending March 31 of the indicated fiscal year; the State share reflects the amount of collections transferred to the General Fund for the indicated fiscal year.

On June 21, 1990, the General Assembly enacted HB 2377 (Chapter 813, 1989 Session Laws) which provided for an *appropriation* of monies to fund the distribution of the local government share of beverage taxes, alleviating the necessity for the maintenance of a special reserve account, thereby channeling the "reserve" funds into the General Fund.

The 1993 General Assembly rewrote G.S. 105-113.82 converting the annual *appropriation* of a portion of the net excise taxes collected on the sale of beer during the preceding 12-month period ending September 30 of each year to an annual *distribution* based on sales for the preceding 12-month period ending March 31 of each year. Legislation became effective July 1, 1995.

State license taxes were repealed effective May 1, 1999. Collections after this date are delayed payments.

**Alcoholic beverage discount:**

Effective for reporting periods beginning on or after August 1, 2004, G.S. 105-113.85 was reenacted to reinstate a discount to wholesalers or importers who both timely file the monthly alcoholic beverage tax report and timely pay the tax due. The discount is 2%. [The discount under prior law was 4% and had been repealed effective for reporting periods beginning on or after August 1, 2003.]
