Refunds reflect actual payments to taxpayers and exclude any approved refundable amounts credited to taxpayer accounts to offset future or existing tax liability.

§ 105-164.14(b) provides for semiannual refunds to nonprofit entities of sales and use taxes paid on direct purchases of tangible personal property and certain services for use in conducting their nonprofit operations. Refunds do not include sales tax paid on taxable sales made by nonprofit organizations and institutions.

Effective for transactions on or after <u>July 1, 2008</u>, § 105-164.14(b) was rewritten to clarify the types of qualifying entities. As rewritten, the refund provisions apply to an organization that is exempt from income tax under section 501(c)(3) of the IRC and is not classified in any of the following major group areas of the National Taxonomy of Exempt Entities: Community Improvement and Capacity Building, Public and Societal Benefit, or Mutual and Membership Benefit.

The provision applies to volunteer fire departments and volunteer EMS squads that are exempt from income tax under the IRC as well as to nonprofit hospitals and qualified retirement homes. A nonprofit hospital that is ineligible for a refund of sales and use taxes paid on its direct purchases of tangible personal property is allowed a refund of sales and use taxes paid on nonprescription drugs used in its operations.

As amended (retroactive for transactions on or after January 1, 2004), this refund provision also includes a university affiliated nonprofit organization that procures, designs, constructs, or provides facilities to, or for use by, a constituent institution of the UNC system.

Number of claimants reflects the number of entities to which at least one refund was issued during the period July 1 through June 30, and does not reflect the number of claims filed. Claims for refund are filed semiannually. The claim for refund of sales and use taxes paid during the first semiannual period (January 1 through June 30) is due to be filed by October 15th of the same year; the claim for refund for the second semiannual period (July 1 through December 31) is due to be filed by April 15th of the following year. Claims for refund may be filed within three (3) years after the due date. The data in the above tables generally reflect refunds for sales and use taxes paid by nonprofit entities during the calendar year preceding the fiscal year ended (year shown).
