Source: 2012 individual income tax extract. Statistical summaries are compiled from personal income tax information extracted from tax year 2012 D-400 and D-400TC forms processed within the DOR dynamic integrated tax system during 2013; the extract is a composite database consisting of both audited and unaudited (edited and unedited) data that is subject to and may include inconsistencies resultant of taxpayer and/or processing error. Proration (income apportionment) factors applicable to part-year and nonresident individuals can exceed 100% in cases where the portion of income subject to NC income tax exceeds total federal gross income, as adjusted.

^{*}Effective tax rate for NCTI basis=Net Tax as a % of Computed NC Net Taxable Income [after residency proration] for returns with positive taxable income

^{*}Effective tax rate for FAGI basis=Net Tax as a % of Federal Adjusted Gross Income

^{**}Tax credits taken=value of nonrefundable credits plus the portion of refundable credits (NC-EITC) used to reduce tax liability.

Amounts shown include a total value of \$11,884,359 in NC-EITC used as offset to reduce computed tax liability. Any portion of NC-EITC that exceeds tax liability is refundable to the taxpayer.

⁺In calculating NC taxable income, a taxpayer may deduct either the allowable NC standard deduction amount based on filing status or the itemized deductions amount claimed under the Code. [Additional standard deduction allowance of \$600 per taxpayer for the aged or blind.]

Claiming itemized deductions on the federal return is a prerequisite for claiming itemized deductions on the NC D-400 return. NC does not allow a deduction for state and local taxes and foreign income taxes.

⁺⁺In calculating NC taxable income, a taxpayer may deduct an exemption amount for each personal exemption allowed under section 151 of the Code for the tax year as follows: MFJ/OW filing status with FAGI<=\$100,000: \$2,500; MFJ/OW filing status with FAGI<=\$100,000: \$2,500; MFJ/OW filing status with FAGI<=\$100,000: \$2,500; MFJ/OW filing status with FAGI<=\$100,000: \$2,000.
