Tax rate and base:

A privilege tax is imposed on a white goods retailer at a flat rate of \$3 for each new white good that is sold by the retailer. White goods are defined as refrigerators, ranges, water heaters, freezers, unit air conditioners, washing machines, dishwashers, clothes dryers, and other similar domestic and commercial large appliances.

The tax was first imposed <u>January 1, 1994</u> and was intended to expire <u>July 1, 1998</u>. The tax was \$5 if the article did not contain chlorofluorocarbon refrigerants and \$10 if the article contained such refrigerants. Proceeds were intended to provide funds for use in managing discarded white goods and the removal of chlorofluorocarbon refrigerants from such articles. After deducting administrative costs, the net proceeds were to be allocated as follows: 5% to the Solid Waste Management Trust Fund, 20% to the White Goods Management Account and 75% among the counties on a per capita basis.

Effective July 1, 1998, the sunset was extended to July 1, 2001; effective July 13, 2000, the expiration was deleted. The rate was reduced to a single flat amount of \$3 regardless of the contents of the article. The distribution of the tax was amended to increase the Solid Waste Management Trust Fund share from 5% to 8%; the county share was decreased from 75% to 72% with eligibility requirements established in order for counties to qualify for receipt of a distribution. A legislative amendment directed that for fiscal year 2001-02, the 20% allocable portion of collections (\$1,841,220) be deposited into the General Fund instead of the White Goods Management Account.
