Intergovernmental, inter-fund transfers:

In fiscal year 2000-01, funds were transferred from the individual income tax account to the privilege tax account to make payment of a court-ordered refund; in fiscal year 2001-02 a subsequent transfer of \$18.2 million from the privilege tax account reimbursed the individual income tax account. *Privilege tax gross collections and Net collections before transfers* columns do not reflect the transfer of funds so as not to alter the reporting of taxpayer remittance levels. The *Collections to General Fund* column reflects the actual handling of the transfers, reporting the \$18.2 million as a transfer receivable from the individual income tax account in 2000-01 and as an account payable transfer to the individual income tax account in 2001-02. Amount for 2009-10 is the transfer of funds for purchases and costs related to the implementation of TIMS and PDP components [SL 2009-451, Section 6.20(a)]
