

# NOW HIRING!

**NCDOR**

NORTH  
CAROLINA  
DEPARTMENT  
OF REVENUE

## Field Auditor

The North Carolina Department of Revenue continuously recruits for Field Auditors throughout North Carolina and is accepting applications for any current openings.

### Position Summary

The primary focus of this position is to examine businesses' financial activities to determine tax compliance. Examinations involve interpreting and applying tax laws, accounting procedures, direct and indirect methods of audit, and investigating a variety of complex issues.

### Qualifications include:

- Bachelor's degree in Business Administration, Economics, Accounting or related field with at least eighteen semester hours of accounting from an appropriately accredited institution; or an equivalent combination of education and experience.
- A valid driver's license is required due to travel requirements for this position.
