Instructions

This form is for use by utility companies pursuant to the provisions of N.C. Gen. Stat. § 105-164.14(a2). Claims for refund are due semiannually for tax paid on purchases of railway cars, locomotives, and accessories for railroad cars and locomotives during that six month period. Claims for refund of taxes paid during the first six months of the calendar year are due to be filed by October 15 of that year. Claims for refund of taxes paid during the last six months of the calendar year are due to be filed by April 15 of the following year. Refund claims filed more than 3 years after the due date are beyond the statute of limitations and cannot be accepted.

In general, the statute of limitations for obtaining a refund of an overpayment is the later of three years after the due date of the tax or two years after payment of the tax. For a claim for refund filed within the statute of limitations, the Department must take one of the following actions within six months after the date the claim for refund is filed: (1) send the taxpayer a refund of the amount shown due on the claim for refund; (2) adjust the amount of the refund shown due and send the taxpayer a refund of the adjusted amount; (3) deny the refund and send the taxpayer a notice of proposed denial; or (4) request additional information from the taxpayer. If the Department does not take one of the actions within six months, the inaction is considered a proposed denial of the requested refund. A taxpayer who objects to a proposed denial of a refund may request a Departmental review of the proposed action by filing a Form NC-242, Objection and Request for Departmental Review within the time provided in N.C. Gen. Stat. § 105-241.11. If the Department selects a claim for refund for examination, the taxpayer has the same rights that the taxpayer would have during an examination of a return by the Department. If the Department determines that a claim for refund was not filed within the statute of limitations, the refund request will be denied and the Department will issue a notice of proposed denial of refund.

For a full explanation of the Departmental review process, refer to the North Carolina Taxpayers’ Bill of Rights found at www.ncdor.gov or the provisions of N.C. Gen. Stat. § 105-241.11.

Use blue or black ink to complete this form.

Columns 13 - Enter the name of each taxing county for which a refund is due. If more space is needed, attach an additional sheet.

Columns 14 - Enter the total amounts of 2.00% or 2.25% county sales and use tax paid on purchases of railway cars, locomotives, and accessories attributable to the county listed in column 13. The column total must equal the total amounts of 2.00% and 2.25% county tax paid on purchases as reflected on Line 10.

Columns 15 - Enter the ratio of county and transit sales and use tax refund for each county as derived on Line 9. Carry decimal amount to four places.

Columns 16 - Multiply the county tax in column 14 by the ratio in Column 15 and enter the total refund due for each county at both the 2.00% and 2.25% county tax rates. The column total must equal the total amount of County 2.00% and 2.25% tax refund as reflected on Line 11.

If applicable, complete the appropriate entries for the Transit 0.50% Tax, and the column total must equal the amount of Transit 0.50% Refund as reflected on Line 11.
