Motor Fuel Supplier Return Instructions
North Carolina Department of Revenue

General Instructions

Suppliers are those fuel tax licensees who import gasoline (including gasohol, alcohol, ethanol, and methanol), diesel, kerosene, jet fuel, or aviation gasoline into North Carolina by pipeline, ship, or barge; who place motor fuel products into storage at a terminal registered under Section 4101 of the Internal Revenue Code; and sell fuel to their customers through the loading rack at such terminal.

Suppliers may:

1. Acquire fuel from, or exchange with, other suppliers above the rack;
2. Sell fuel to suppliers, distributors and licensed distributors who import for resale to customers in this state;
3. Sell fuel to licensed distributors and licensed exporters where such fuel is destined to be exported;
4. Export fuel directly from their terminal;
5. Sell fuel to retail dealers or end-users;
6. Sell fuel to the United States Government;
7. Sell fuel to the State of North Carolina or its agencies;
8. Sell fuel to North Carolina local boards of education;
9. Sell fuel to North Carolina counties and municipal corporations;
10. Sell fuel to North Carolina Charter Schools;
11. Sell fuel to North Carolina Community Colleges; and
12. Blend products at the loading rack where the end product may be used to propel a vehicle, vessel, or aircraft.

Suppliers are authorized to import tax-free gasoline (including gasohol, alcohol, ethanol, and methanol), diesel (including biodiesel), kerosene, jet fuel, and aviation gasoline by pipeline, ship, or barge, place the tax-free fuel in storage at a terminal, and collect state taxes as the fuel is removed through the loading rack.

The supplier return is required to be filed by suppliers who transfer, exchange, loan, sell, or blend gasoline, gasohol, diesel, kerosene, jet fuel, or aviation gasoline from a terminal facility located within North Carolina. This return is also required to be filed by persons selling fuel from terminals located outside this state, when such fuel is destined for sale or use in North Carolina.

If the return and payment are not submitted timely, the administrative discount will be disallowed.

A failure to file penalty will be assessed when returns are not received by the due date of the return, based on the amount of tax due of the return. A five percent (5%) penalty up to twenty-five percent (25%) maximum penalty will be assessed for each month the return is late.

A failure to pay penalty of ten percent (10%) of the amount of tax due will be assessed when the payment is not received by the due date of the return.

In addition, interest will be charged at a daily rate from the date the tax is due until the date the tax is paid. The interest is subject to change every six months; therefore, you should verify the rates on the Department’s website at www.dornc.com.

Electronic Mandate: The Supplier Return (Gas-1202) is required to be filed electronically. You may access the Department’s website at www.dornc.com to file your returns by EDI or by web through the Motor Fuel Tracking System.

Electronic Funds Transfer (EFT): Any taxpayer who is required to file a return electronically must also pay electronically. To meet this requirement you may remit taxes by EFT or through the Motor Fuel Tracking System at www.dornc.com. For additional information regarding EFT requirements, please contact the Electronic Funds Transfer Program, P.O. Box 25000, Raleigh, North Carolina 27640-0001, or call 877-308-9103.

For EFT taxpayers, the Department must receive your EFT authorization by 3:45 PM on the 21st day of the month following the month in which transfer, exchange, loan, sale, use, or blending transactions occur. If the 21st falls on a Saturday, Sunday, or state or bank holiday, the EFT authorization must be received by 3:45 PM on the last business day prior to the Saturday, Sunday, state or bank holiday. For non-EFT taxpayers, the return, supporting schedules, and payment (if applicable) must be received by the Department or postmarked on or before the 22nd day of the month following the month in which transfer, exchange, loan, sale, use, or blending transactions occur. If the 22nd falls on a Saturday, Sunday, or state holiday, the return and payment MUST BE RECEIVED by the Department or MUST BE POSTMARKED on the next business day. This also applies to returns when no tax is due. Please mail your return to the address listed on the last page of the instructions.
