

Form E-500F Motor Vehicle Lease & Subscription Tax Return

General Instructions

1. Use Form E-500F to file and report North Carolina motor vehicle limited possession commitment tax liability. Do not report the motor vehicle limited possession commitment tax liability on the sales and use tax return. Limited possession commitments include: (1) long-term lease or rentals; (2) vehicle subscriptions; and (3) short-term lease or rentals.

If a vehicle is subject to the tax, tax applies to the gross receipts derived from the limited possession commitment at the applicable rate. The rates of tax are as follows:

Long-Term Lease or Rental - 3%
Short-Term Lease or Rental - 8%
Vehicle Subscription - 5%

A long-term lease or rental is a lease or rental made under a written agreement to lease or rent one or more vehicles to the same person for a period of at least 365 continuous days and that is not a vehicle subscription.

A vehicle subscription is a written agreement that grants a person the right to use and exchange motor vehicles owned, directly or indirectly, by the person offering the agreement upon payment of a subscription fee, but it does not include a vehicle sharing service. The subscription fee must provide a person exclusive use of an agreed-upon number of motor vehicles at any given time during the full term of the subscription.

A short-term lease or rental is a lease or rental of a motor vehicle or motor vehicles, including a vehicle sharing service, that is not a long-term lease or rental or a vehicle subscription.
