## Notice to IFTA Jurisdictions

March 14, 2016

To All IFTA Commissioners and IFTA Inc. Staff:

The North Carolina Department of Revenue had a tax rate change for the 1<sup>st</sup> Quarter of 2016 which we failed to update prior to the 1<sup>st</sup> Quarter Matrix closing. Our tax rate has decreased to **\$0.35 per gallon beginning January 1, 2016 through June 30, 2016**. The rate of \$0.36 per gallon listed in the 1<sup>st</sup> Quarter Matrix is in error. Please note, this error is limited to the posting in the 1<sup>st</sup> Quarter Matrix and does not affect North Carolina's electronic filing systems.

We are requesting that all jurisdictions accept our late filing and honor our rate change for the 1<sup>st</sup> Quarter of 2016.
