Part 3. Jobs Credit History Table. The purpose of the Credit History Table is to provide a means for taxpayers to track both the credit amount available for each tax year and the actual credit taken as an installment. By using the Credit History Table, taxpayers can verify that the amount of credit taken for each installment does not exceed the amount of credit actually available to the taxpayer. The table also provides a means for tracking any unused portion of an installment that can be carried to future years or has expired. **(Note.** *The installment portion of the Credit History Table can not be completed in its entirety until after completing Part 3 of NC-478.*)

Credit Amount In the 2013 column, enter the total credit amount as calculated on the prior year's NC-478J.

Installments In the 2011 through 2013 columns, enter the amount of installment actually taken in each tax year. The amount of installment taken includes the amount of each year's installment utilized during the tax year plus any unused portion of a prior year's carryforward taken in that tax year.

Carryforwards Taken If any portion of a prior year's installment is taken in tax year 2015, enter the amount in the applicable column. **(Important.** *Carryforwards taken do not include the amount of current year's installment taken. Carryforwards taken should only be entered if in 2015 a portion of a prior year's installment is utilized.*)

Carryforwards To Take In Future If the current year's installment is not fully utilized in tax year 2015, enter the amount not taken as a carryforward to take in the future. **(Important.** *Carryforwards to take in the future do not include eligible installments to be taken in future years. installment can not be utilized due to the 50% of tax limitation.)
