General Instructions

An S Corporation must file with the Department an agreement for each nonresident shareholder. The agreement must be filed at the following times: (1) by the due date of the annual return ("Form CD-401S") for the first taxable period the S Corporation begins doing business in this State and becomes subject to the provisions of North Carolina income tax, (2) by the due date of Form CD-401S for any taxable period in which the corporation has a nonresident shareholder on whose behalf an agreement has not been previously filed. An S Corporation that does not file an agreement for a nonresident shareholder must by the due date of Form CD-401S pay to the Department on behalf of the nonresident shareholder an estimated amount of tax due based on the shareholder's pro rata share of the S Corporation's income attributable to the State. The estimated amount of tax due must be computed at the applicable individual income tax rate for the taxable period.
