Form NC-478E- Investing in Central Office or Aircraft Facility Property

The credit for investing in central office or aircraft facility property is taken in seven equal installments beginning in the tax year following the year in which the property is placed in service. Any unused portion of the credit may be carried forward for five succeeding years.

The following instructions for completing Part 1 through Part 5 of Form NC-478E apply to individuals, S corporations claiming the credit against franchise tax, and C corporations. Partnerships, S corporations claiming the credit against income tax, and other pass-through entities, see the specific instructions for pass-through entities located after the instructions for Part 6.

Part 1. Business Information. (The information requested in Part 1 is for a single establishment at which central office or aircraft facility property was purchased or leased and placed in service in North Carolina during 2003. If you invested in more than one central office or aircraft facility property in tax year 2003, complete a separate Form NC-478E for each location.)

To be eligible for the credit for investing in central office or aircraft facility property, a taxpayer must be one of the eligible business types listed on page 1 of the general instructions. In addition, taxpayers must meet all of the following conditions:

1. Meet all the general eligibility requirements described on page 1 of the general instructions.
2. Purchase or lease real property in North Carolina.
3. Begin to use the property as a central office or an aircraft facility during tax year 2003.

Name, Address, and County of Establishment. Enter the name, address, county, and NAICS Code for each establishment in which an investment of central office or aircraft facility property is made. If the establishment is located in a tier three, four, or five area and not in a development zone, a wage standard test must also be satisfied. The wage standard test for investing in central office or aircraft facility property requires the combined average weekly wage of all jobs at the location with respect to which a credit is claimed to meet the wage standard. For more information about the wage standard test, see the “Guidelines for Article 3A Tax Credits” available from the Department’s website.

Tier, Development Zone, and Health Insurance Information. Taxpayers must provide health insurance for all full-time positions at the central office or aircraft facility location. The insurance must be provided to the employees at the time the central office or aircraft facility property is purchased or leased and placed in service, and must be maintained every year an installment of the credit or a carryforward of the credit is claimed. Taxpayers must provide with the tax return certification that health insurance is provided to all full-time positions at the central office or aircraft facility location.

Part 2. Computation of Eligible Credit Amount for Investing in Central Office or Aircraft Facility Property at this Establishment in 2003.
