

Instructions to run NCVTS Exempt Report

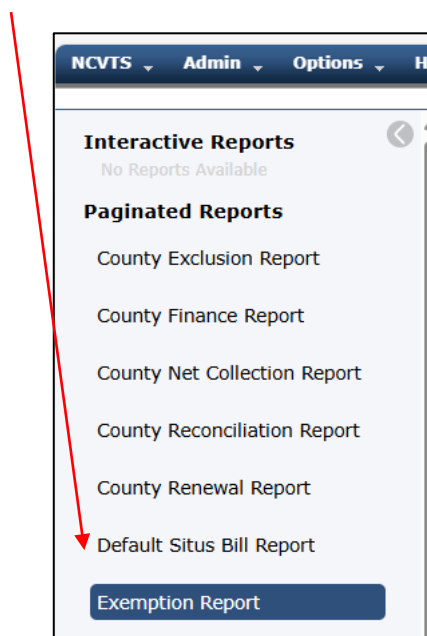

To obtain the exempt registered motor vehicles
values for the 2026 AV-50 Annual Report of Tax Relief
Granted by Exemption or Exclusion

Instructions to Run the NCVTS “Exempt Report” (Select and Run the Report)

Click on the to “Admin” pull-down menu, and choose “Reports”

Choose the Exemption Report.

Instructions to Run the NCVTS “Exempt Report” (Select Report Parameters)

The screen with the report will display. Below are the parameters that should be chosen.

For the 2026-2027 AV-50 report due November 1, 2026, the following periods should be chosen:

Select Renewal Date Fiscal Year “2025 – 2026” (*The previous fiscal year NCVTS report is used*)*

Select Abstract Year For: “2023, 2024, 2025,” (click each)

Select Renewal Date Time Period: “Year” or run a separate report for each quarter “Q1”, “Q2”, “Q3” and “Q4” and total them (if NCVTS times-out when you run it for the entire year).

Alternatively, reports can be run for single years (“2023, 2024, 2025”).

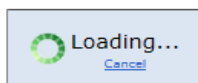

The Following Exemption Codes Should Be Checked:

*The 2025-2026 fiscal year NCVTS data is used because the 2026-2027 fiscal year RMV assessments have yet to be processed.

- *The choice of the 2025 year, will report the bills for the year starting 7/1/2025 – 6/30/2026.
- The choice of the 2023 and 2024 years pulls abstracts that run over into the 2025-2026 fiscal year.

“Property Exempt” should only be reported to the extent to which it reflects the exemption codes “checked” above. If the county has used this category for miscellaneous items that do not match the checked parameters, the county may have to run a separate report for “Property Exempt” only, and filter on the applicable exemption codes. This is left to the county’s discretion.
