Motor Fuel Claim for Refund Exempt Entities

Instructions

General Instructions

General Statute 105-449.105 provides for a refund of the road tax paid on motor fuels purchased by or sold to an exempt entity. An exempt entity is defined as 1) U.S. Government, 2) State of North Carolina, 3) N.C. County, Municipal Corporation, Hospital Authority, or Joint Agency Services 4) N.C. Local Board of Education, 5) N.C. Charter School, and 6) N.C. Community College. You must use a separate GAS-1206 for each type of exempt entity.

Fuel receipts are required to be submitted along with the first refund claim. The Department will not require fuel purchase invoices to be submitted for each refund claim thereafter but reserves the right to require invoices with refund claims in the future. You must retain the fuel purchase invoices with your records in the event you are audited.

G.S. 105-449.108(d) disallows a claim for refund filed more than three years after the date the claim is due. The Post Office postmark is accepted as the date the claim is filed.

Electronic Mandate: The Motor Fuel Claim for Refund Exempt Entities (GAS-1206) is required to be filed electronically. Access the Department's website at www.ncdor.gov to file your returns by EDI or web through the Motor Fuel Tracking System.
