North Carolina Federal/State Modernized Electronic Filing (MeF)
Individual Income Approved Software Developer List
Tax Year 2023

The North Carolina Department of Revenue has tested and approved software designed by the software providers listed below for filing North Carolina Individual Income Tax returns and payments through the Federal/State MeF Program for tax year 2023. Each software provider must test and be granted approval for electronic filing each tax season. Each software product has different capabilities; therefore, please check the product specifications to determine if it will meet your filing needs. Please continue to check the approved software developers list. This list will be updated as additional software products are approved.
