

WM-1 Certification of Classification and Taxation as Wildlife Conservation Land Under G.S. 105-277.15

You should only submit this document to the county assessor after all of the following occur:

- (a) The county tax records reflect you own the property;
- (b) The county tax assessor has approved your application for classification and taxation as Wildlife Conservation Land under G.S. 105-277.15; and
- (c) The land has been taxed as Wildlife Conservation Land.

Section 1 – To be completed by applicant or county

(1) County: _____

(2) Property ID(s) of property taxed as wildlife conservation land under G.S. 105-277.15:

(3) Owner(s) of record of the property(ies) identified on Line 2 as of the date of this certification:

Section 2 – To be completed by county

I, as the tax assessor of the above-referenced County, or as an employee of said County and authorized by the tax assessor to make this certification, certify that the properties listed above were classified and taxed as wildlife conservation land under G.S. 105-277.15 as of the date of this certification.

Printed Name: _____ Title: _____
